

ELECTRONICS/ELECTRICAL

COMPULSORY UNITS	SUGGESTED UNITS			OTHER UNITS	Other Units
English 1	Systems and Technology 1	Design and Tech: Competition Vehicles 1	VET Electronics and/or Physics 1	Any units from the selected VCE Studies. Ensure that you have the right balance of Group A and Group B subjects.	Vis. Comm. Tech. Business Studies Industry & Ent. Information Tech. Health & HD Science Studies of Society and Environment Technology Mathematics English VET/EDGE ICT Pathways
English 2	Systems and Technology 2	Design and Tech: Competition Vehicles 2	VET Electronics and/or Physics 2		
English 3 and/or English Lang. 3 and/or Lit 3	Systems and Technology 3	Design and Tech: Competition Vehicles 3	VET Electronics and/or Physics 3		
English 4 and/or English Lang. 4 and/or Lit 4	Systems and Technology 4	Design and Tech: Competition Vehicles 4	VET Electronics and/or Physics 4		

OTHER UNITS
Selecting other units really depends on which direction you wish to take after completing your VCE.

THIS PATHWAY MAY LEAD TO:

Before Finalising Units:

EMPLOYMENT

Limited opportunities for students seeking employment direct from VCE. Apprenticeships and Traineeships are available. See a Careers Advisor for details.

TAFE

Diplomas and Certificates such as:

- Engineering
- Refrigeration and Air Conditioning
- Electronics/Electrical
- Telecommunications

UNIVERSITY

Bachelor Degrees at various institutions including:

- Limited Science courses
- Applied Science (Computing)
- Telecommunications

Note: Most university course require Mathematics.

CONSULT A CAREERS ADVISOR AND CHECK:

- Tertiary entry requirements
- Prerequisites
- Recommended Units
- Any special requirements.
